## INTERNATIONAL

### Strategic Coaching for Intentional Success

**Frenetta Tate is passionate about helping clients:**

- Understand your unique purpose and discover the transforming gifts you have that can change the world.
- Embrace your personal power and tap into your inner confidence.
- Realize your potential and shift your mindset to step into your greatness with ease.
- Develop your personal action plan for intentional success.

*Coaching for:* **Entrepreneurs, Business Owners,  
Executives and Growth Seekers**

*The purpose of Frenetta Tate International is to educate, inspire and raise awareness about the unique individual advantages and transforming gifts you possess that can change our world. I help my clients to come to an understanding of personal power through coaching, virtual calls, online courses, speaking and live events. I work with clients in the areas of mindset mastery, self-love and awareness, leadership, business, career and image development.*
